Sir:

Applicants hereby propose amending the drawings in the above-identified application. Applicants have amended Fig. 5 in order to remove the motor 50 and insert the brake control mandrel 51. Support for this drawing amendment may be found on at least page 15, line 22 to page 16, line 2 of the present application.

Applicants respectfully submit that none of the drawing changes adds new matter and that all of the drawings changes are supported by the originally filed specification,
